

## Customer Service Delivery Driver

**Company:** TCO Agromart Ltd

**Location:** Selby, ON

**Details:** Full Time

Are you a motivated individual and enjoy working in a team environment? We have an immediate opening for a Customer Service Delivery Driver at TCO Agromart Ltd. in Selby. This position is full-time with benefits and requires the successful candidate to hold a valid 'DZ' licence. This position requires preparing loads to be delivered and delivery of product to customers farms in different areas and routes. A valid forklift licence and experience working in a fast-paced retail environment would be an asset.

Apply in person or send a resume to [p.oneill@tcoagromart.com](mailto:p.oneill@tcoagromart.com).

TCO Agromart is a retailer for agricultural inputs and services. We provide feed, seed, fertilizer, crop protection, general farm supply items as well as services such as custom spraying and nutrient application. The feed and farm supply segments of the business are fairly steady all year long, while the crop related segments of the business are seasonal and are much busier during the spring and summer months.
